Shoot Management and Shoot-offs

1) All iShoots will have a HOST Club that the entire shoot will be reported under. MSSA will report the scores and results for the HOST Club to NSSA.

2) Clubs will use the current version of Skeet Manager program (www.skeetsoftware.com). If your club has issues contact Clark Hartness for alternatives.

3) Clubs will have an administrative login at: <http://www.zonevi.org/ishoot/> to upload data, track scores, and shoot-off management.

4) Clubs will have access to a financial form at: <http://www.zonevi.org/ishoot/> recapping the amount that should be rendered to MSSA. MSSA will distribute these funds to NSSA, MSSA, and winners. Zone VI clubs outside of MS will pay their respective State Associations.

5) Clubs will pay any incurred costs out of the club portion of the shoot proceeds and retain any remaining proceeds as profit.

6) Champion, Runner-Up, 3rd, Class and Option Shoot-offs

- MSSA will shoot-off Champion, Runner-Up, 3rd, Class 1st, Class 2nd, and Class 3rd at all shoots to benefit Zone VI Shooters with the most points available.
- Concurrent Champion ties will be shoot-off. Runner-Up, 3rd Class 1-1, and Class 1-2 ties will typically be broken concurrently with class shoot-offs or by long-run.
- Any shoot-offs that are missed or not otherwise broken will be broken by long-run.
- Shooters who are involved in shoot-offs should report to the shoot-off field at the club with one box of shells and some proofs.
- Shooters will shoot doubles on 3-4-5, NSSA Rules, until they complete the box or until 2 misses.
- Clubs will post shoot-off long-runs at: <http://www.zonevi.org/ishoot/>
- If ties still exist after the first box the procedure will be repeated until all ties are broken statewide and posted at <http://www.zonevi.org/ishoot/>

7) HOA Handicap and Doubles Handicap Shoot-offs

- Shooters who are involved in shoot-offs should report to the shoot-off field at the club with one box of shells and some proofs.
- Shooters will shoot doubles on 3-4-5, NSSA Rules, until they complete the box or until they have exhausted all their misses. As an example a B Class shooter has 2 misses so they shoot-off until they have missed 3 times.
- Clubs will post shoot-off long-runs at: <http://www.zonevi.org/ishoot/>
- If ties still exist after the first box the procedure will be repeated until all ties are broken statewide and posted at <http://www.zonevi.org/ishoot/>
- These shoot-offs will determine a single winner.

8) Clubs will provide copies of shoot-off scoresheets either physical or electronic to MSSA for review in the event of questions by shooters attending the IMS200 shoot.
